# Principal's Report

Opportunities allow our students to find out what they like and what might constitute future employment and career path. We also assist our students develop their talents through persistence, hard work and the development of a growth mindset. We believe that *our students deserve to live empowered lives with passion.*

We will have a renewed focus on Restorative Practices at Woodenbong Central School in 2019. We know that Restorative Practices helps teachers and students build, maintain and restore relationships. It also helps with building the capacity of students to understand, develop and improve their self-control. Which, in turn helps the students with their learning and their achievement of their learning goals.

Restorative practice has a framework for how we has humans or institutions operate:

We would like to operate in the top right hand part of the diagram above, that is doing thing WITH. In this region of practice we have high level of expectation along with high levels of support so the person can achieve those high expectations. Sometimes we need to operate in the TO and FOR areas for brief periods. This may be necessary for safety reasons. However, we need to move back to the WITH area.

This week we ran workshops for students from Year 3 to Year 10 on Restorative Practice. The feedback from the students has been positive. Parent Workshops will be held on Wednesday afternoon. It is likely that we hold additional parent workshop when the presenters return later this year.

As in previous newsletters: I once again reminded all members of our community that under no circumstances should a student bring a knife to school. The laws relating to the carrying of knives especially for those under the age of 16 changed several years ago. Woodenbong Central School is a safe

place for our students; we work hard to ensure our school remains a safe place. I ask for your assistance in keeping our school a safe place, by ensuring knives are not brought to school. If you believe your child need to bring a knife to school, for example to cut a sandwich or peel a piece of fruit, please contact the school and we will make arrangements.

I would ask that parents either call the school on 66351281 or email the school at [Woodenbong-c.school@det.nsw.edu.au](mailto:Woodenbong-c.school@det.nsw.edu.au)

when they wish to contact a teacher or to seek information. The office will direct the enquiry to the best person to answer your question. If the teacher, AP, Head Teacher or Principal is not available, they will call back or make an appointment for a face-face meeting. Staff can be teaching or otherwise engaged and may not be able to reply immediately. Other means of communication are at best hit and miss. For example the school FaceBook page may only be looked at once a school day.

# Chaplain's

**O** It's so easy to compare ourselves with others in the various spectrums of life.

**r** Whether it's about our appearance or our performance in some aspect, I reckon it's safe to say, we all do it at some time.

**n** The outcomes of comparing ourselves with others are never helpful or healthy, as we end up either congratulating ourselves or beating ourselves up! Better to learn to be happy in the skin we're in and do our best in the position we're in, be it student, mum, or paid employee.

**e** A helpful quote shared by a local mum: "Aim for progress rather than perfection."

**r** Take care  
Gail Watson

**22nd February**

**10:00 am to 1:30 pm**

**Woodenbong Sport Oval**

**A canteen will be running**

# CAREER'S REPORT

Hello to everyone, from the first Careers Report for 2019! It has already been a very busy and fruitful time in the world of school-to-work planning, with new School-Based Part-time Trainees Renae Williams and Shonriqua Hippi starting both their AIN Certificate III studies at TAFE, and their one day/week work at the Urbenville Multi-Purpose Service. Over the next 2 years, the girls will accrue 700 hours of paid work at Urbenville, as well as achieve their Cert III at TAFE. And it all counts toward their NSW HSC.

2018 SBAT Tim Arthurson will continue in his Automotive studies at TAFE, as well as continuing to work at the Woodenbong Driveway, one day/week. Tim's SBAT also forms a part of his HSC studies.

Emily Smith (Yr 10) has been accepted into the Animal Studies Cert II course at Wollongbar TAFE.

Emily has also been accepted into a week of work experience at Taronga Zoo Sydney, working in the Animal Hospital, so exciting times are ahead for Emily!

Clinton Williams will continue his Certificate II in Construction, each Wed at Wollongbar TAFE, and Blade Bannah is commencing a Certificate II in Animation at Lismore TAFE, each Wednesday.

Dylan Hoffman has work experience for one day/week, with Bruce Pethers Engineering. This is a continuation of a program that was established in 2018. And there is still more, yet-to-be-announced, good (careers) news to come!!

I do encourage all students 14 years of age and older, to consider work experience, as well as enrolling in the WH&S White Card (Construction), when it is offered later in the year (unless they have already achieved it).

Here is an exciting website, that you can visit with your child. It is appropriate for students from Yr 6 to Yr 12, and it complements nicely the school's own Careers webpage ([www.woodenbongcentralschoolcareers.com](http://www.woodenbongcentralschoolcareers.com)). It is called Beacon, and the address is <https://ebeacon.net.au/industrylive/> The first session, called **'I won't have the same job forever – what is a career and what is it like to have a job?'**, is on Thursday 21st Feb, in school time (which is a bit awkward.... But, even if you watch it at home, then discuss the main points with your child, you are ahead already!!) Following is an information flyer:

## Why Industry Live?

Industry Live connects students, teachers and expert industry panellists using the convenience of videoconferencing without leaving the classroom or workplace.

- Expose students to tips and stories from people with diverse career pathways
- Connect to industries and panellists outside of your local region
- Students and teachers can interact with communities across Australia
- We provide opportunities for students and teachers to ask live questions during the session.

### In 2018

## How to host Industry Live?

This event is open to students, teachers and your broader school community.

### Student event

Students can attend as a class or cohort in a classroom setting.

### Teacher dial in

We invite interested teachers who want to spectate and experience the event to join us online and see how your students can benefit. A great PD idea!

## Did you know that you can run Industry Live at your school as a community event?

'In 2018, I began hosting Industry Live as a community event at our school. We put on a morning tea and broadcast it in the school hall. We invite family and carers in watch it with the students. It has started lots of great conversations about careers between us, our students and their families!

*Rachael Shearer,  
Collarenebri Central School, NSW*

## Industry Live

2019

## What is Industry Live?

Join Beacon Foundation online for a series of 12 live career exposure events, delivered via videoconferencing. We invite industry panellists to share their stories, top tips for success and answer questions from school students in Years 6 to 12 across Australia in a discussion led by a facilitator.

1 hour session (includes student questions & evaluation survey)

Easy set up: a laptop, speakers and data projector/smart-board

Industry panellists live with a facilitator and time for live student questions

### Register today

Choose the sessions you wish to attend. Book one, or book them all, it's up to you.

Please check the Industry Live for the most up-to-date information regarding events, times and dates.

<https://ebeacon.net.au/industrylive>

Fun at our last  
Primary Swimming Carnival

## News...

Don't forget the Primary District Swimming Carnival will be held tomorrow (Friday, 15<sup>th</sup> February) at the Woodenbong Town Pool. We have 24 swimmers who will be representing our school proudly, along with students from Bonalbo, Tabulam, Urbenville and Old Bonalbo. If you have/know a child who is competing tomorrow, please come along to help cheer us on! Reminder the Year 5/6 parents that help will again be needed in the canteen.

Good luck to all our competitors and  
GO WOODENBONG!!!

Stacey Shaw ☺

## Sports Award

Award recipient:

**Errol Brown**

Congratulations to Errol for receiving the Captains Sports Award. The Captains have noticed what a good sport Errol is in the playground and that he is always wearing a big smile. ☺

#### Where has the toad crossed the road?

A new project partnership between the Border Ranges Richmond Valley Landcare Network (BRRVLN) and National Parks and Wildlife Service will try to answer this question in the Kyogle and Richmond Valley LGAs. The project is funded by the DPI Special Purpose Fund and will run from January 2019.

Cane toads are poisonous to native species at all stages of their life cycle. The Summerland Way is the containment line for cane toad incursion in northern NSW. A primary aim of the project is to understand the current distribution and population density of cane toads to the west of that containment line.

The project team will undertake cane toad surveys and trapping on private land in areas west of the Summerland Way, south from around Rappville and north to Woodenbong. We are seeking expressions of interest from landholders in the project area who are interested in cane toad collection being conducted on their land. In the northern region we are especially interested in determining the presence of cane toads in Boomii Creek, Brumby Plains, Muli Muli, Koreelah, Urbenville, Woodenbong and Beaury Creek.

A further aim of the project is to increase landholder's capacity to control cane toads on their own property with the aim of slowing the spread of cane toads into unaffected areas. Information and resources for detecting, reporting and controlling cane toads will be available from the Border Ranges Richmond Valley Landcare Network office in Kyogle.

For more information or to indicate your interest in cane toad surveys or control please contact the Tanya Jobling 6634 6165 (Office) or 0457 647 378 (leave a message if not in range).

## PRAYER FOR RAIN

### CROSS ROADS MINISTRIES

SATURDAY 16<sup>TH</sup> FEBRUARY

From 10.00am. onward a call to those who

Come and pray for life giving rains to fall.

2 Chronicles 7:13a-14 (NIV)

“ When I shut up the heavens so there is no rain..

If My people, who are called by My Name, will

Humble themselves and pray and seek My face

And turn from their wicked ways, then I will hear

From heaven and will forgive their sins and heal

their land. Now My eyes will be open and My

ear's attentive to the prayers offered in this place.”

All welcome.

Glenda Compton ph. 66351373

# Reflection For The Week

## Nothing more, and nothing less!!

Bill Wilson and Bob Smith, co-founders of Alcoholics Anonymous, once visited a lawyer who was a hardened alcoholic. Confined to bed because of violent behaviour, the man had no choice but to listen to their stories of recovery. But as soon as they started talking about a 'Higher Power', the lawyer shook his head and said, 'It's too late for me. I still believe in God but I know He no longer believes in me.'

How sad—and misguided! Are you worried that God won't accept you because of your sins? You don't have to be! Paul says, *'Where sin increased, grace increased all the more.'* And he should know, because before his Damascus Road conversion he was, by his own admission, the worst of sinners ([1 Timothy 1:15](#)). Afterwards God used him to reach the world with the Gospel (see, for example, [Acts 17:2](#)).

'Grace' was so central to Paul's message that he mentions it in the very beginning of all his Epistles. That's because he understood that by trying to stand on your own merit before a Holy God, every time you mess up you feel like a failure—unloved, unworthy, and unaccepted.

Psychologists say we try to conform to the image of us that's seen by the most important person in our lives. So can you imagine what would happen if you started seeing yourself as *God* sees you? The truth is, you're His redeemed child and He sees you through the blood of Jesus, which cleanses *all* your sins (see [1 John 1:9](#)). There's nothing you can do to make God love you more, and nothing you can do to make Him love you less! And *that's* the good news!

***"Provided for you by the local Catholic, Seventh Day Adventist, Presbyterian, Uniting, Anglican, Crossroads Ministries & Muli Muli Full Gospel Outreach Churches".***

## SPINACH, CORN & CHEESE SAVOURY MUFFINS

These delicious savoury muffins are packed full of vegetables like spinach and corn. You could change up the vegetables to suit any taste or what's in the fridge. They are perfect for a family meal, lunchbox or a kids afternoon snack! They also freeze well.

### Ingredients

2 eggs  
 3/4 cup milk  
 150g / 2 cups grated reduced fat cheddar cheese  
 1 spring onion, chopped  
 2 cups fresh baby spinach, chopped  
 1 cob fresh corn, kernels cut off (or a small tin corn kernels)  
 2 cups self raising flour  
 salt and pepper to taste

Preheat the oven to 180c and line a muffin tin with 12 muffin cases or oil the tin well.

Combine eggs and milk in a large bowl.

Mix in the grated cheese, spring onion, baby spinach and corn.

Add in the flour, salt and pepper and mix just enough until all the ingredients have combined.

Divide the mixture between the 12 muffin cases and bake in the oven for 20-25 minutes until cooked through.

These muffins can be frozen once they have cooled completely. To defrost simply leave out for a few hours or overnight.

For more tasty, simple recipes, visit:

[nswlhd.health.nsw.gov.au/health-promotion/healthy-eating-recipes](https://nswlhd.health.nsw.gov.au/health-promotion/healthy-eating-recipes)

## easter activity for kids: Easter Eggs-ercises

**Easter Bunny Hunt:** cut a large picture of the Easter bunny into puzzle pieces and laminate each piece. Hide the puzzle pieces and have the children go on an Easter bunny hunt to put the bunny back together again.

**Easter Bunny Race:** get the kids to dress up as an Easter bunny (get creative!). Hold a race in the backyard - the kids can hop to the finish line!

**Easter Obstacle Course:** Set up a simple obstacle course in the backyard or the park and give it a fun Easter theme (think lots of hopping, hard-boiled egg throwing & catching and maybe even some bowling with a hard-boiled egg to knock over some 'pins')

**Egg & Spoon Race:** A classic Easter game. It's as simple as it sounds - just make sure those eggs are hard-boiled!

### Active Kids Vouchers

Did you know that the NSW Government is helping kids get active with the new Active Kids Program? Parents, guardians and carers can easily apply for a voucher valued at \$100 per calendar year for each student enrolled in school!

The voucher may be used with a registered activity provider for registration, participation and membership costs for sport, fitness and active recreation activities. For more information, visit

<https://sport.nsw.gov.au/sectordevelopment/activekids>

## ANTENATAL / PREPARATION FOR PARENTHOOD SESSIONS

**4<sup>th</sup> March 2019**

*Each Monday for 8 weeks at the  
Kyogle Community Health  
Centre*

**From 7pm to 9pm**

Husbands, Partners, and Support  
Persons most welcome.

To Booking-In contact Heather on  
66 321522

## **YOWIE COUNTRY SUMMER MARKET**

**Theme: "MASKED MARKET"**

Now is the time to get ready for the  
summer market to be held on:

**SATURDAY 23<sup>RD</sup> FEBRUARY 8am-2pm**

Come along and support your community,  
have a stall and make some money, or  
come along and have an enjoyable  
morning.

Lots to do and see:

- Coffee Club
- Mask making craft table
- Multi draw raffle
- Woodenbong Yowie
- LIVE MUSIC
- Hair cuts, homemade ice-cream,  
sewing, jams & pickles, jewellery,  
show bags, fundraising BBQ-WCS  
students, and much more.....

## **WANTED -People to attend the ANNUAL GENERAL MEETING**

of **WOODENBONG PRE-SCHOOL  
KINDERGARTEN Inc  
MANAGEMENT COMMITTEE**

When: **MONDAY 18th FEBRUARY 2019  
@ 7PM at the Pre-School**

Who: all parents of enrolled children should attend. Pre-School meetings are important, as the elected committee is responsible for the Management of the Pre-School eg- Budget, Fundraising, planning, policy development, financial audits, maintenance, employment obligations, government returns and viability of the centre.

The committee is also answerable to DET, DOCS and DEEWR and other funding bodies to ensure that the centre operates according to funding agreements and current regulations. The Early Years Learning Framework (EYLF) and National Quality Regulations NQ are both regulations that are implemented through a committed partnership between staff, parents, children, community and Management.

Committee members can also be interested community members, future parents, or relatives of children attending.

Please consider becoming involved in this committee as we all want to see our Pre-School continue to provide a quality education for our young children. Meetings are usually short in duration and are held twice/term.

Please note that attendance at meetings will earn fundraising points. Thank you so much to the 2018 Management Committee who have done an excellent job and have donated many hours of their own time to attend meetings, organize events and support our staff.

NB **\*GOVERNANCE TRAINING** for the new committee has been organized for all members in April.

**WE MUST HAVE A COMMITTEE TO HAVE A PRE-SCHOOL**

## **School Photos 26th March**

A reminder that **SCHOOL UNIFORM** is compulsory when school photos are taken. Please ensure that your child/ren come to school in their school uniform on this day.

Students are not eligible for a School ID Card unless they get their school photos taken with them in school uniform.
