Principal's Report

Welcome back to all for Term 3 2019. Traditionally at Woodenbong Central School Term 3 is a busy time especially in high school. This is the last Term for our Year 12 students. They will be busily preparing for their examinations. Our Year 12 Industrial Technology will need to finish their major works very shortly. Our Visual Art students have a little bit longer to finish their major works and our Society and Culture students will need to complete their Personal Interest Projects. All our Year 12 students will start their trial HSC examination in a few weeks. We also have Dubbo and a variety of sporting activities.

Our senior debating team will be travelling Coffs Harbour for the Regional Finals of their debating completion.

Opportunities allow our students to find out what they like and what might constitute future employment and career path. We also assist our students develop their talents through persistence, hard work and the development of a growth mindset. We believe that our students deserve to live empowered lives with passion.

This week our Year 10 and 11 students travelled to the Snow and Canberra. For most it has been their first experience of the snow. They have experienced a fine day on the snow fields, strong winds and now know what the word snowing means. From all reports the students are having a great time learning to ski or snow board. They will be in Canberra and Friday. The many attractions they will visit in Canberra include Parliament House and the War Museum.

We held our Racial Harmony Assembly in the last week of Term 2. As always it is a great assembly. It is always pleasing to see how many of our students are nominated by their peers as people who promote racial harmony in our school. It is something that we need to continually work on to keep moving forward.

NESA has produced several videos for HSC students to explain the changes to the HSC especially for the subject areas below. There can be a lot of misinformation so it is important that parents and students are aware of any changes. Below are links to the various pages:

- English <http://www.educationstandards.nsw.edu.au/wps/portal/nesa/11-12/stage-6-learning-areas/stage-6-english>
- Mathematics <http://www.educationstandards.nsw.edu.au/wps/portal/nesa/11-12/stage-6-learning-areas/stage-6-mathematics>
- Science (eg physics, chemistry, investigating science, biology) <http://www.educationstandards.nsw.edu.au/wps/portal/nesa/11-12/stage-6-learning-areas/stage-6-science>

- History (Modern or Ancient History) <http://www.educationstandards.nsw.edu.au/wps/portal/nesa/11-12/stage-6-learning-areas/hsie>

A reminder that we will hold our parent afternoon on 7th August, Wednesday week 3, at 4pm. Our students have already been given a copy of the Year 10 into Year 11 subject selection booklet. This booklet will provide information to both parents and students on 2020 Year 11 subjects. We provide the booklet early so parents and students have time to examine the subjects on offer in 2020 as well as time to speak with teachers and Head Teachers before the parent afternoon. Early subject selection provides time for us to help meet the needs of our students with their subject selections.

It is important that our office has up to date contact numbers for parents. These numbers are crucial especially in times of an emergency. We understand that from time to time parents need to change their phone numbers we would ask that you let the school know of any changes to contact details.

Chaplain's Corner

Talking this week with some kids at school about how we react to and cope with differences in others was enlightening. No doubt we are all influenced by our upbringing and may have similar ideas and attitudes to our parents until we develop our own, however it's lovely to see a young person's own nature emerging and their ideas and thoughts around big topics and also their confidence to share these in a group.

Our challenge this week is to celebrate one another's differences rather than to dismiss them or judge them. Yay!

Let's be kind to ourselves & others

LIBRARY NEWS

The Children's Book Council of Australia's Book Week will be held nationally from 17th to 23rd August 2019. To celebrate this we will be having a book character parade on Tuesday 20th August from 9:15 am in the library. The theme for this year's Book Week is "Reading Is My Secret Power"

Parents/caregivers are most welcome to attend and join in the fun of dressing up, if they like. Start organising costumes now. There will be a guessing competition as well, where you can guess the staff members favourite children's books.

There a five weeks left for the students to complete this year's Premier's Reading challenge. A number of students have already finished and I would encourage everyone to have a go.

KIDS SURVIVAL PACK

A handy snack, lunchbox addition or something to keep in the car for hungry kids, these survival packs can be modified to your families tastes. Get the kids involved in making them and use your favourite dried fruit, nuts and seeds to accompany the popcorn.

Ingredients (makes 20 small serves)

- 1 cup popping corn
- 1 1/2 cup dried apricot
- 1 1/2 cup dried apple
- 1 1/2 cup dried sultanas

Method

Chop dried apricot and dried apple into small pieces
Put popping corn in microwave safe dish. Microwave on high (100%) for four minutes on cook in a saucepan or fry pan as per packet instructions.

Stand popcorn for a minute to let cool
Mix remaining ingredients into the popcorn
Divide evenly into bowls, cups or zip lock bags and store in a cool, dry place.
