Principal's Report

Welcome back to Term 4. I hope everyone had a relaxing, safe and enjoyable holiday. It was nice to have some rain prior to the recommencement of school. Rainfall has been diverse across our school catchment area. Hopefully it is the start, with more to come.

We welcome Mr Quantrill to Woodenbong Central School. Mr Quantrill is our new Head Teacher HSIE. He joins us from Kyogle High School and brings a wealth of experience to our school.

Stewart Grimmett retired at the end of last term. Stewart has been an invaluable part of our school for 35+ years. Over the term we have more to say about his massive contribution to Woodenbong and Woodenbong Central School, especially the agricultural farm. We are in the process for a new Head Teacher Science.

At the end of last Term we said farewell to our Year 12 students with a breakfast and their farewell assembly. It was a fantastic day. Our Year 12 students commence their HSC examinations on Thursday. We wish them all the best. I also thank our teachers who spent time over the holidays with our Year 12 students with study days or other mechanisms to support our students with their upcoming examinations.

At the Year 12 Farewell Assembly we also inducted our Secondary Captains for the rest of this year and 2020. At Woodenbong Central Schools captains are elected with a vote from our students (Years 6 to 11) and staff. Year 11 candidates speak to the student body prior to the election. This year the speeches were very impressive. The successful candidates were:

Meg Green and Shaun Hoffman, who were elected Captains and Nick Hannant and Michael Goldsworthy, who were elected as our Vice-Captains. All students who put themselves forward should be congratulated. Meg, Shaun, Nick and Michael will represent the school with distinction.

Opportunities allow our students to find out what they like and what might constitute future employment and career path. We also assist our students develop their talents through persistence, hard work and the development of a growth mindset. We believe that our students deserve to live empowered lives with passion.

The ongoing drought is affecting our Community. Water is becoming an issue for many of our families. At Woodenbong Central School we are always happy to support our students. As we have done in the past we are happy to make our showers available for students who may require them. We offer to wash school uniforms of students. Any

family or student who would like to use this facility can speak with me, our Deputy Principal Therese Skerritt, our Assistant Principals Anne-Marie Mason or Christine Reid or any of our Head Teachers. Any matter are treated confidentially.

MINTED PEA, BACON & RICOTTA SPAGHETTI

Bring a large saucepan of water to the boil. Cook spaghetti following packet directions, adding 300g podded peas in the last 3 minutes of cooking.

Meanwhile, heat 1 tbs olive oil in a large frying pan over medium-high heat. Add 250g chopped rindless shortcut bacon and 2 crushed garlic cloves. Cook for 4 to 5 minutes.

Drain spaghetti and peas, reserving $\frac{1}{3}$ cup cooking water. Return spaghetti and peas to the pan. Add the bacon, 300g crumbled fresh ricotta cheese, $\frac{1}{4}$ cup chopped mint leaves and the reserved water. Toss over low heat until combined. Season and drizzle with a little extra virgin olive oil and serve.

Reflection For The Week

MAKE IT A PERSONAL GROWTH EXPERIENCE

Before you confront someone over an issue, stop and examine your motives. Is your goal to help or humiliate them? Jesus was in the business of lifting and restoring people, and you should be in that business too. Ask yourself, would you approach things differently if you weren't so personally involved? Are you confronting this person to make yourself look better? Cutting someone else down in order to lift yourself up is the lowest form of ego gratification.

Poet Kahlil Gibran said, 'To belittle, you have to be little.' Don't do it! It's a sign of insecurity. Remember Nehemiah's response to those who tried to discourage him from rebuilding Jerusalem's walls? *'I am doing a great work, so that I cannot come down: why should the work cease, whilst I leave it, and come down to you?'* ([Nehemiah 6:3 KJV](#)) Don't allow your critics to break your stride. Don't give more credence to the sentiments of a critic than you would to the encouragement of a friend. Before you put somebody else's life under the microscope, stop and examine your own. Are you grappling with the same issue, or one just as bad? Have you succeeded where you're accusing somebody else of failing? In other words, have you earned the right to be heard?

Paul writes, *'Speaking the truth in love we will grow... in every respect.'* Could it be that the situation

TANK WATER

The water to the secondary bubblers has run out due to someone turning on the taps and the tank draining out. Therefore, the water to the tanks has been turned over to town water.

Due to the water being low in the Canteen Tank, we are unable able to fill up students water bottles from the canteen anymore.

We recommend that students bring extra water from home if parents would like their child to drink tank water.

Chaplain's

Friendships formed during our school years can be a great source of strength & encouragement and can last a lifetime. My 3rd form (current year 9) classmates and I enjoyed a 50 year reunion last Friday through to Sunday, and it was a really special time of sharing memories and reconnecting. We were all surprised and blessed to hear the stories spill out as old memories returned during our walk around the school and on visits to our old classrooms. Our awesome and much loved teachers who returned for the reunion also shared positive stories about their time at Woodenbong Central School, so a grand old time was had by all who attended. Go WCS!

Take care
Gail Watson

Operation Christmas Child

Operation Christmas Child is a project of Samaritan's Purse, an international relief organization. Our mission is to provide local partners around the world with shoeboxes filled with small toys, hygiene items, and school supplies as a means of reaching out to children in their own communities with the Good News of God's love. We ship these simple gifts to children affected by war, poverty, natural disaster, famine, and disease; and to children living on Native American reservations in the U.S.

Shoebox gifts are a way to demonstrate God's love in a tangible way to needy children around the world, and in SRE classes at WCS we have been a part of this wonderful worldwide movement for many years. It's that time of year when we are talking about Christmas boxes and children have the opportunity to learn the value of caring for others less fortunate than themselves and to experience giving.

Each class will choose an age group they wish to buy for and will bring home a note with information specific to the contents of boxes. You can be involved by purchasing items to help the class fill a box. If you would rather send in a monetary donation, that would be helpful to cover shipping costs. Each box incurs a \$10 shipping cost.

Thank you for your involvement.

Gail Watson
SRE Co coordinator

Woodenbong Central School students from Kindergarten to Year 6 have chosen to buy for children aged between 5 to 9 years.

Each class will contribute 1 box for a boy and 1 box for a girl.

OPERATION CHRISTMAS CHILD GIFT IDEAS
