Annual Presentation Day 2020

Dear Greg

The Woodenbong Progress Association (WPA) would like to extend Congratulations to all students attending the WCS for the successes they have achieved throughout 2020.

With the challenges this year has brought, and with the commitment and support of the teaching and ancillary staff, we acknowledge their efforts, their resilience and are immensely proud of their success story.

We wish them the absolute best for 2021 & extend our wishes for a wonderful Christmas and safe holiday.

Yours faithfully

Woodenbong Progress Association Committee

Message from Danielle Mulholland, Mayor Kyogle Shire Council

Good Morning,

Congratulations to all students after a very challenging 2020. Each and every one of you is part of the Woodenbong school and has contributed in your own unique way.

All your dreams can come true if you have the courage to pursue them (Walt Disney).

For returning students, your educational journey continues but try to make the most out of your school experience. We all have different skills, talents and interests so make the most of your opportunities at school and do your best.

For graduating students:

This is a high milestone for all of you and you should all be proud in reaching it. Soon you'll be moving on to the next phase of your life - whether it be university, TAFE and directly into the work force.

I have a few words of advice as you start this next part of your life's journey that I would like to share with you. Growing up in Kyogle will have given you a sense of community and certain values. You will meet people who don't understand or respect those values but that doesn't matter. Believe in yourself, be proud of where you've come from and you'll be ready to take anything the world throws at you. If you respect yourself and have in confidence in who you are and where you have come from, you can truly achieve anything.

Now for my little nuggets of wisdom, because once upon a time, I was standing where you are now.

Be kind to each other. Kindness costs you nothing but it can make life better and even just bearable for others.

Own your behaviour and your mistakes. But also recognise that everyone makes mistakes so look at them as a learning opportunity and move on. Sometimes the hardest person to forgive is ourselves. And don't be afraid to apologise - it is not a weakness, it's a demonstration of character.

Dream big. You can join the gunna family - I'm gunna do this, I'm gunna do that - but the only person who can DO, is you. Finding a mentor in whatever field you choose to pursue can help you find your path.

People often say you have to love the work you do. I say, do your best at whatever work you are doing. Work to live, don't live to work.

Ask questions. That's how you learn, all through your life.

For the young women graduating today - we live in a society that depicts women in a certain way. We're not all supermodel material. So I will share with you what my first Philosophy teacher told me - don't be cute, be competent. Cute wears off. Competence will last you a lifetime.

You are all now starting the next leg of your life's journey. You will have other milestone moments, like today. Each and every one of you has a gift or a talent, whether you have realised what that is yet or not. Every one of you can make a difference. You're our present and our future. So Carpe Diem class of 2020 - seize the day!

Or Danielle Mulholland | Mayor Kyogle Council

Message from Peter Petty, Mayor Tenterfield Shire Council

Unfortunately I am unable to be with you all today but be assured I am with you in spirit.

This past year has dealt many hardships to us all and I am particularly mindful of the difficulties it has presented to you, the students, as you struggled with on line lessons and the lack of physical contact with friends, peers and in many cases, family.

For teachers too, this year meant developing new ways to reach out to your students and I thank you all for your dedication in ensuring that student education remained relevant and challenging.

For myself and my fellow Councillors, we are now all up to speed on zoom meetings, teams meetings and the myriad of other video meeting formats which has proven very testing at times as we struggled with technology to keep the formal business of Council happening.

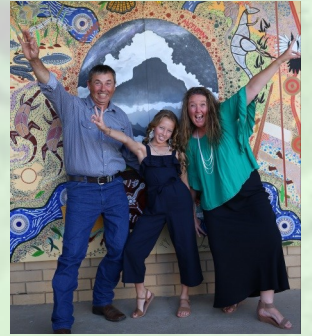

As we turn towards 2021, I reflect on what a wonderful Shire community we have and I wish you all the very best for the future, particularly the Year 12 students as you go forth from your school environment and begin to shape your future.

My sincere best wishes to all for a happy and Holy Christmas.

Peter Petty
