2.15 – 2.45pm (30 mins)	<p align="center">EVALUATION / PRIZES / THANK YOU</p> <p align="center">G16_1.07</p>			

Uni-Reach Program Parent/Caregiver Information Sheet

What is Uni-Reach?

Uni-Reach is a Griffith University Program developed to prepare Year 11 and 12 students to access and succeed in higher education. Any student who would like to find out more information about higher education would benefit by participating in Uni-Reach. Uni-Reach is particularly useful for those students who sometimes miss out on a place at university because their personal or financial circumstances prevent them from achieving to their full potential at school.

What can Uni-Reach offer?

By taking part in Uni-Reach, your child will participate in workshops delivered at their school. Uni-Reach mentors, who are Griffith University students from a variety of degree programs, will offer assistance with study skills, information about university life and degree programs at Griffith.

In May each year, Year 12 students will be invited to attend an On-Campus Experience (OCE) where your child will spend one day at a Griffith University campus participating in educational activities in their area of interest. In October, Year 11 students will be invited to attend an On-Campus Experience participating in various activities to assist them in planning their university pathway and to help them prepare for further study.

Who can participate in Uni-Reach?

Any student in Year 11 or Year 12 interested in higher education is welcome to participate. However, your child must exit with a Sound Achievement in Queensland Studies Authority English to meet Griffith University admission requirements (some programs also require Maths B, please check entry requirements).

How does Uni-Reach assist school students to get into Griffith University?

Students will submit an application for admission through QTAC. Uni-Reach students are encouraged to complete the Educational Access Scheme (EAS) section that follows on from the application. Applications will be assessed and bonus OPs/Ranks will be awarded to eligible applicants, according to their individual circumstances. Students will also be requested to submit a Uni-Start Equity Scholarship Scheme application, to ensure that they are also assessed for Griffith University scholarships. Equity admission processes do not apply for highly competitive programs such as the Bachelor of Oral Health in Dental Science and Bachelor of Medical Science. (<http://www.qtac.edu.au/applications/application-resources/assistance-schemes/educational-access-scheme>).

STUDENT DIVERSITY AND INCLUSION

Is it fair to get extra help?

EAS is designed to make the tertiary admissions system fairer for all applicants, people are encouraged to seek assistance if they have experienced circumstances that have made it difficult for them to achieve their full potential. This process recognises the diverse range of circumstances of applicants.

If applications for Uni-Reach are successful does this mean students automatically get into University?

Participating in Uni-Reach will not guarantee that your child will get into university. Your child will gain greater awareness of options related to university and develop some valuable skills and knowledge that will prepare her or him for university study.

What do I need to do?

Simply complete the permission form and return it to the designated staff member at your child's school (usually the Guidance Officer). If you or your child would like to know more about Uni-Reach, please contact us at Griffith University.

Students will be working with Mentors who are second or third year Griffith University students and the Uni-Reach Program Coordinator.

Signature: _____ Date: _____

Year 11 Uni-Reach Media Release Implied Consent

Dear Parents and Carers,

The Uni-Reach program includes activities which are offered in school and on university campuses. These activities will often be captured with photography and/or video for use in promoting the Uni-Reach program and the University. In 2018 Uni-Reach will be applying a process of media release consent being given unless withdrawn by the Parent/Guardian for all students participating in the program.

*Parents are asked to inform the Uni-Reach coordinators in writing of activities for which they **do not** grant consent for their student to be photographed or filmed and have their images used at the University's discretion. If no such specific communication is offered, then the Uni-Reach program will presume that parents:*

1. Consent to the University, its employees or agents photographing/filming the student and using any image of them as the University thinks fit in its absolute discretion to promote the University or any of the University's activities.
2. Acknowledge that all right, title and interest in or relating to any image of the student is taken by or on behalf of the University belongs to the University absolutely for its own use.
3. Release the University from any claim by the student, or on the student's behalf, arising out of the University's use of any photograph/video of me.

No action is required if you consent to your child's image being captured in all authorised activities, as outlined above.

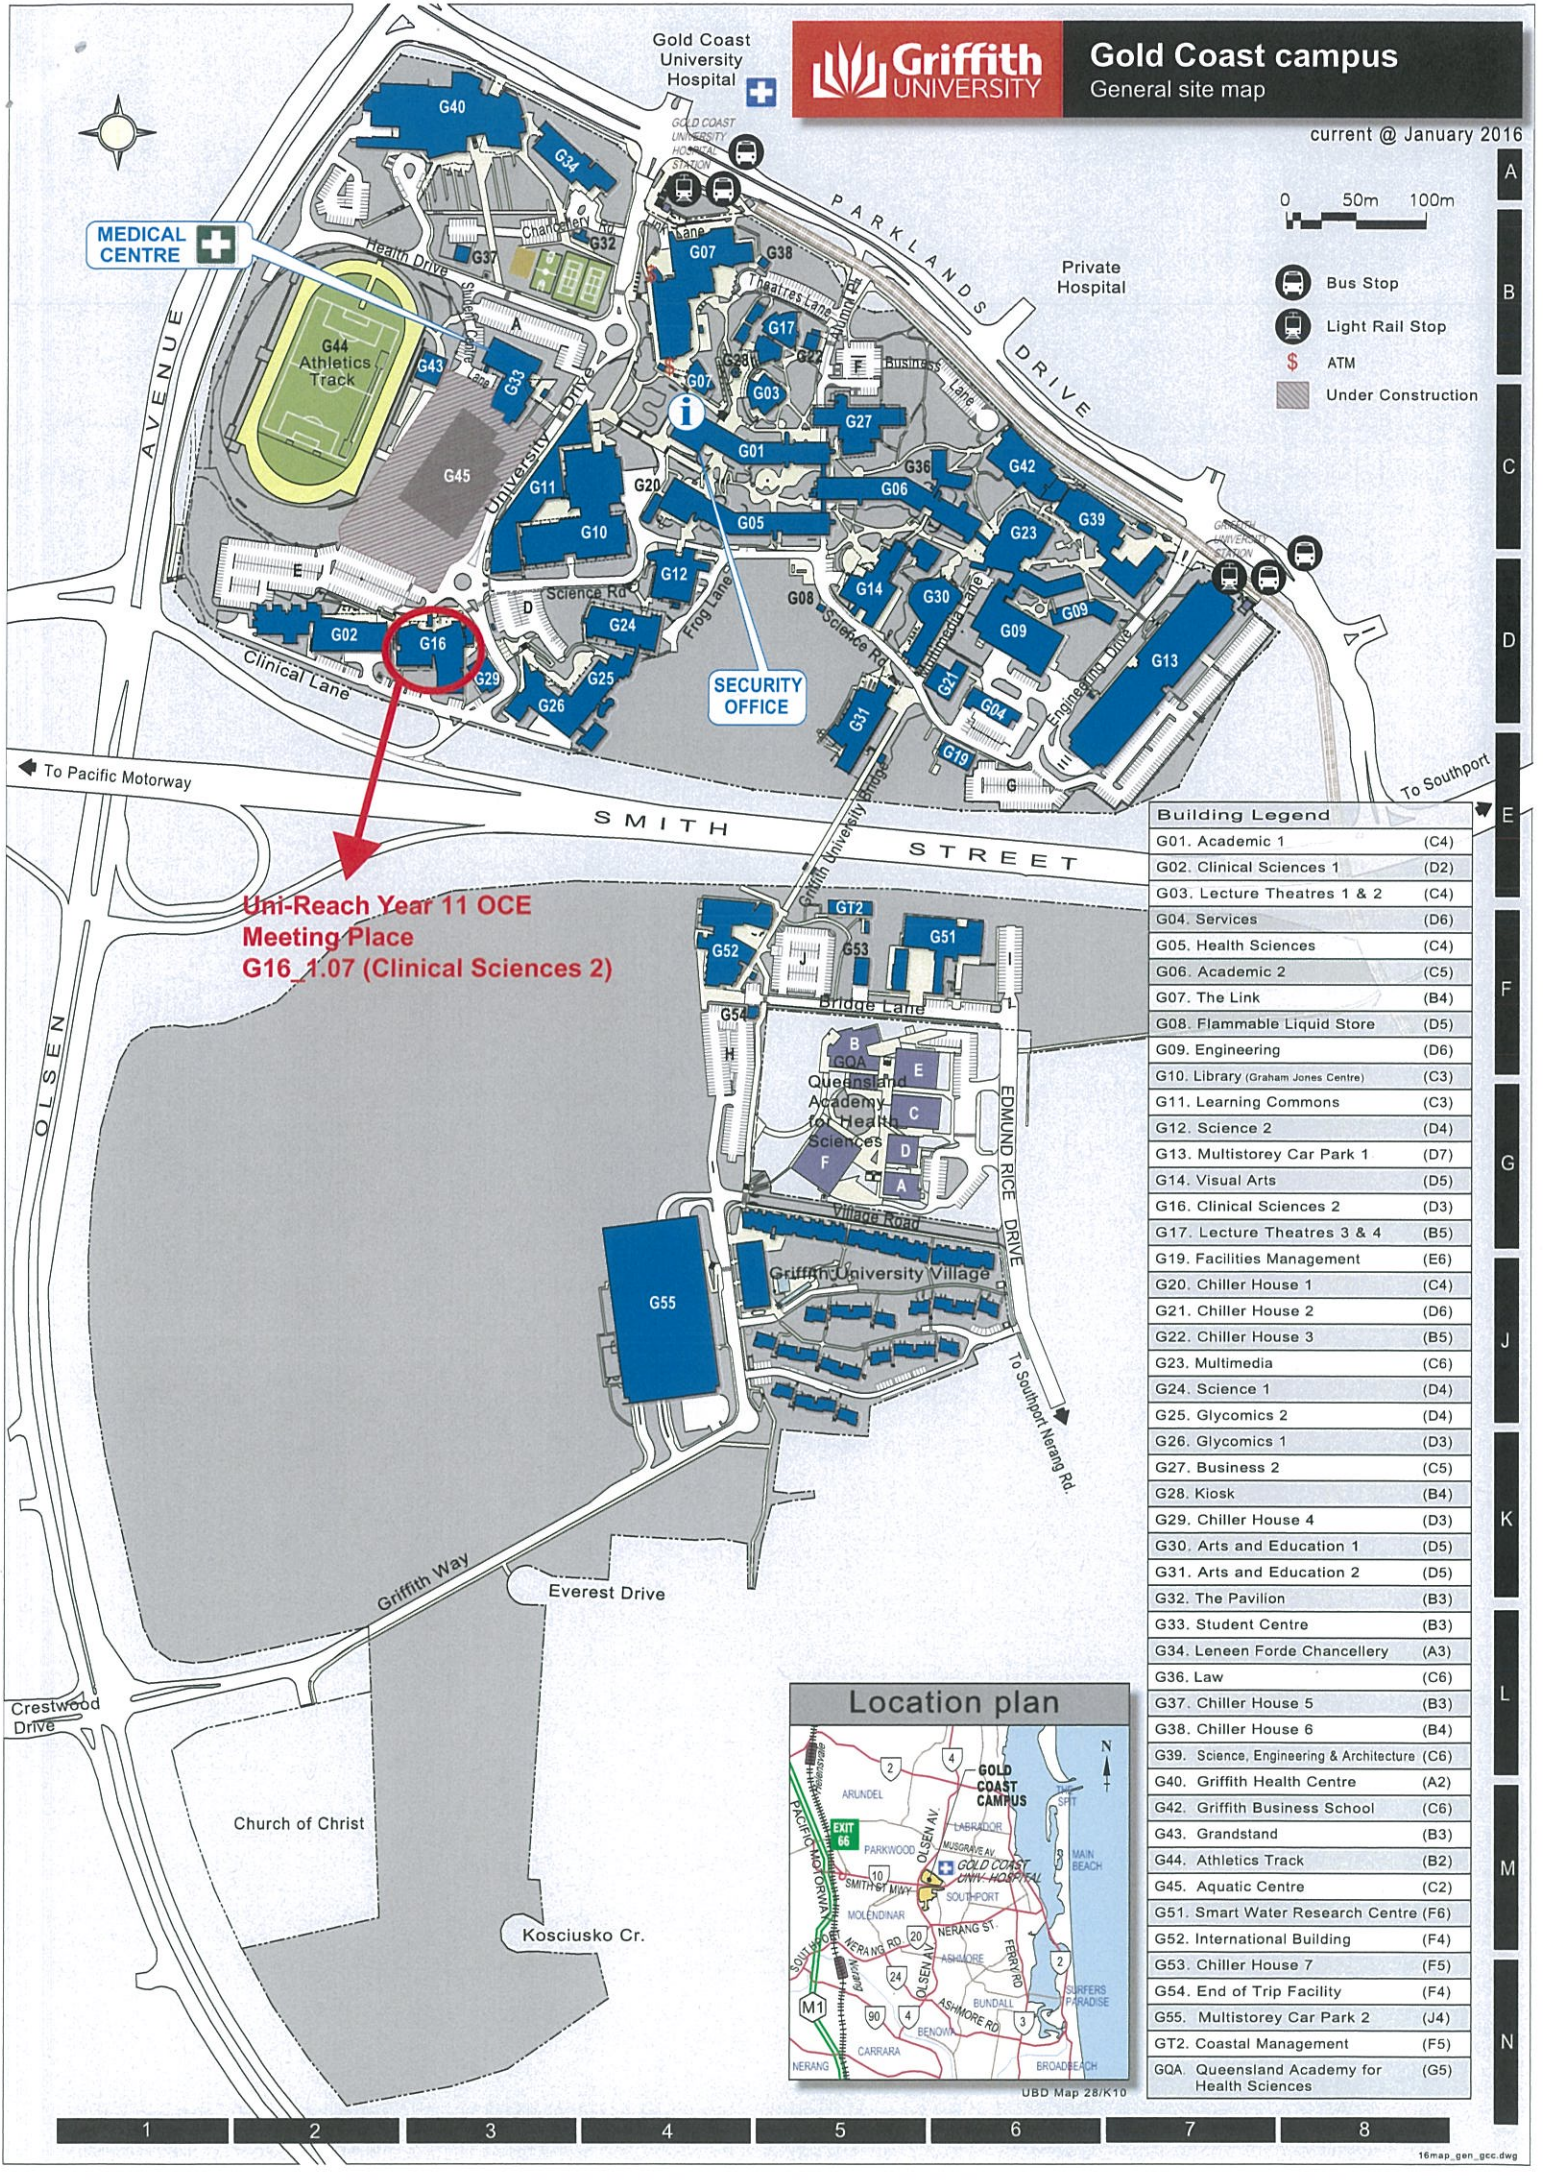

Uni-Reach Year 11 On-Campus Experience GOLD COAST CAMPUS

STUDENT INFORMATION

Date	Thursday 25 October 2018
Time	8.30 am – 2.45 pm
Meeting Place	Gold Coast Campus will have clear signage posted around to direct you to G16_1.07 (Clinical Sciences Building 2) . We will also have Griffith mentors waiting at the bus stop and Gold Coast University Hospital tram station (see map on the back).
Transport	You need to provide your own transport to and from Gold Coast Campus. You can either be dropped off or use public transport. For more info visit www.translink.com.au/ or phone 131 230. If you drive, all day parking is available for \$25 in the general parking bays.
Dress	Free Dress
Catering	Only morning tea will be provided. Please bring your own lunch and water bottle or buy from the various restaurants in the Student Guild (G07) .
Activities	Attend your first lecture, participate in mock tutorials and interactive professional development workshops, engage in discussions with our Griffith mentors and meet students from other schools.
Stationery	We will provide you with a pen, note pad and handouts for the day.
Consent forms	Please ensure you have given your consent form to your Guidance Officer or Uni-Reach Coordinator. Students cannot attend the day without parental/ caregiver permission.
Attendance	Attendance on the day is compulsory to successfully complete the Uni-Reach Program. Your name will be marked off on a roll. Let your Guidance Officer or Uni-Reach Coordinator know immediately if you cannot make it on the day.
Contact	For further details, contact your Guidance Officer or Uni-Reach Coordinators: Emma Tanuvasa (07) 3382 1562 0478 312 676 e.tanuvasa@griffith.edu.au Anja Roberts (07) 5552 8989 0466 448 801 a.roberts@griffith.edu.au
